E REWA ANA TE WAIRUA

I te tīmatatanga o te wahanga nei, oti ai te whakahoutanga mai o ngā kōti neti pōro, poitūkohu. Kaha mai te hari me te koa a ngā tamariki i te rā tuatahi. Menemene kau ana, taringa ki te taringa. Heoi, kaha tākaro haere ngā tamariki i tō rātou papa nekehanga hou, ā e whakamahi ana e ngā tīma poitūkohu i a rātou e whakaharatau ana, ka mutu, ngotengote hoki i te tōtā a ngā tamariki e mahi nakawhiti, hākinakina ana. Me mihi ka tika te Poari. Mō rātou i whakaae kia utua te taonga nei. Ki a Matua Dan rāua ko Matua Tim, mō rāua i mahi ngātahi ai me ngā pakihi kia oti tere ai, kia oti kounga i ngā papa tākaro nei.

Ka rua, nō te wiki tuatahi o tēnei wahanga, tūwhera ai ngā tatau o tō mātou ruma manaaki kaimahi. Kua aua atu te 5 tau, kāore kau he ruma hei tānga manawa mā ngā kaimahi o te kura. Pūhaehae kau ana te noho a ngā kaimahi ki te tari matua, ki ngā tari kei ngā akomanga, ki waho rānei i te taha o ngā tamariki ki te kai. I pēnei ai nā te mea, pūhake ai a tātou ruma katoa, hei akomanga manaaki i a tātou tamariki. Nō reira e te whānau, nau mai, tautī mai kia kite, kia rongo i ngā kōti me te ruma manaaki hou.

The beginning of term 4 saw the completion of another school property project to cover our basketball and netball courts with synthetic turf. Tamariki returned to school from holidays, and with it, the opportunity to enjoy their newly upgraded courts. The smiles and looks of utter surprise and joy were priceless. Lunchtime breaks see the courts covered with our tamariki, basketball teams with a proper court to train, and our students a space to engage in cross fit and physical education on a comfortable supportive surface. We would like to once again thank the Board for funding the project, as well as Matua Dan and Matua Tim for their work in designing and leading the upgrade on behalf of the kura.

Secondly, in the first week back, the new staffroom was completed. It has been 5 years since the staff had their own space. The main office area, classroom offices and the outside seating areas were the only spaces available for staff to eat and take a break. This was due to the fact that all possible spaces were being occupied for teaching our tamariki. The new staffroom has definitely boosted the morale and spirits of our workers. Whānau, please take time to come and enjoy our new spaces wit hour tamariki and staff.

NGĀ MANUWHIRI

Inanahi, i tae mai ngā manuwhiri nō ngā motu o Hawaii. He rourouiti-a-haere nō te Hawaiian Department of Education – Kula Kaipuni. Ko tō rātou kaupapa, ko te kohi whakaro nō ngā momo tari, puna, kura, whare wānanga kia waihangā i tētahi rautaki whakaū, whakakaha i te ahurea me te reo Hawaiiana ki roto i ngā kula kaiapuni. I noho tahi mātou ki te āta wānanga me te kōrero i tō mātou hītori, me ngā kaupapa kei te kura i tēnei wā nei. Mīharo pai rātou ki ō tātou tamariki. Mātua rā tētahi kōrero i te māngai o te rōpū rā, nōnā i kīā “E ora ana ngā tamariki Māori anō nei ko te kaupapa” E mihi ana ki ngā tuākana o te kura, nā rātou te mana o te kura i te pōwhiri i kawē.

Yesterday we hosted a visiting contingent from across the Hawaiian Islands. They were representatives from The Kula Kaipuni sector of Hawaiian Department of Education. They have travelled here seeking ideas and strategies to further strengthen the Hawaiian culture and language into their schools. We shared our history and aspirations as well as the way in which we operate based on the priorities of whānau, community and iwi. They were very grateful and inspired, in particular by our students. In an acknowledgement by their lead Eric Kaiaponi, they said that “our students are the realization of the kaupapa” It was special to see our senior students lead and the pōwhiri and look after our guests.
